10. [REDACTED] Jim Angleton called late in the day to say that he had been seen by Fritz Schwartz and David Aaron of the Senate Select Committee staff today, and mentioned that Schwartz would probably be calling the Director. Angleton asked me who he should notify and I suggested that he call Mr. Knoche.

11. [REDACTED] Dick Ober on the National Security Council staff called to discuss the subject of legislative proposals to establish a joint committee on intelligence. He was especially interested in whether the Agency had submitted a report on S. 317 (the Baker/Weicker proposal). I told him we had not submitted a report on that bill although we had commented on S. 99, the Humphrey/Mathias resolution to establish a joint committee on national security. I told him we had prepared a summary of all joint committee proposals introduced to date which I would be happy to send to him. I also forwarded him a copy of our report to Senator John C. Stennis (D., Miss.), Senate Armed Services Committee, on S. 99.
